# Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

## About Conference

Scientex Conferences feels auspicious to invite all the eminent professionals in the field of Neurology and Psychiatry to the **3<sup>rd</sup> International Conference on Neurology and Mental Disorders**, to be host on **May 15-16, 2025**, in the futuristic city of **Dubai, UAE**. This premier event is a significant gathering for experts, researchers, and professionals in the field of neurology and mental health, providing a platform to share groundbreaking research, innovative practices, and the latest advancements in the domain.

For professionals in the fields of medicine, industry, pharmacology, surgery, teaching, and learning practices, Neurology 2025 offers a great opportunity. The goal of Neurology 2025 is not only to discuss the main theme of the conference, but also to connect the people in the same field across the globe which may pave the way for building a better community for brighter future in the field of neurology. 09:00-09:15	-	Opening Ceremony and Introduction
09:15-10:30	-	Keynote Session
10:30-10:50	-	Refreshment Break
10:50-12:30	-	Break Out Session
12:30-13:30	-	Lunch
13:30-15:00	-	Break Out Session
15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

## Day 2 - May 16, 2025 (Friday)

09:00-10:30	-	Keynote Session
10:30-10:50	-	Refreshment Break
10:50-12:30	-	Break Out Session
12:30-13:30	-	Lunch
13:30-15:00	-	Break Out Session
15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

## 3<sup>rd</sup> International Conference on Neurology and Mental Disorders

May 15-16, 2025 | Dubai, UAE

### SPEAKER PRESENTATIONS

**Title: Quadriplegia following prevertebral/retropharyngeal collection secondary to extrapulmonary spinal tuberculosis (Pott's Disease)**

**Adnan Abdullah**, Clinical Fellow in Acute Medicine at Queen's Hospital, United Kingdom

**Title: Risk factors in administering spinal anesthesia: A comprehensive review**

**Elijah Skarlus Doelakeh**, Datta Meghe Institute of Higher Education & Research, India

**Title: Rare presentation of pediatric nervous system Lyme disease: A case report**

**Ia Khurtsilava**, Tbilisi Medical Academy, Georgia

**Title: Oral and parenteral omega-3 fatty acids in aneurysmal subarachnoid hemorrhage: Results of a pilot randomized controlled trial and a prospective case series**

**Rodrigo Zapata**, University of Santiago, Chile

**Title: Two interesting cases of pellagra encephalopathy with startle myoclonus and marked response to niacin therapy: A new dictum in neurology?**

**Raghavendra Bakki Sannegowda**, Father Muller Medical College, India

**Title: Quadriplegia following prevertebral/retropharyngeal collection secondary to extrapulmonary spinal tuberculosis (Pott's Disease)**

**Adnan Abdullah**, Clinical Fellow in Acute Medicine at Queen's Hospital, United Kingdom

**Title: Risk factors in administering spinal anesthesia: A comprehensive review**

**Elijah Skarlus Doelakeh**, Datta Meghe Institute of Higher Education & Research, India

**Title: Rare presentation of pediatric nervous system Lyme disease: A case report**

**Ia Khurtsilava**, Tbilisi Medical Academy, Georgia

**Title: Oral and parenteral omega-3 fatty acids in aneurysmal subarachnoid hemorrhage: Results of a pilot randomized controlled trial and a prospective case series**

**Rodrigo Zapata**, University of Santiago, Chile

**Title: Two interesting cases of pellagra encephalopathy with startle myoclonus and marked response to niacin therapy: A new dictum in neurology?**

**Raghavendra Bakki Sannegowda**, Father Muller Medical College, India

**Title: Lecanemab Question**

**Stephen E. Nadeau**, University of Florida College of Medicine, USA

**Title: Hydrocortisone therapy in post-stroke management of persistent hiccups: A case report**

**Katia Latifa**, Rashid Hospital, UAE

**Title: Delusional parasitosis: Report on response to olanzapine in a case series of 04 patients**
