Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “**International Conference on Neurology and Brain Disorders**” at City Seasons Dubai Hotel, 2 27th St - Port Saeed - Dubai - United Arab Emirates during May 25-26, 2023 and International Webinar on Neurology and Brain Disorders” during June 01-02, 2023 in GMT +4 timing. The conference was organized with a theme of “*Indagate the evolvemnts of Neuro disorders for better medicaments*” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Neurology 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference. Neurology 2023 Organizing Committee would like to thank everyone who attend the conference for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Aasheesh Mehan, Police Hospital, India who contributed a lot to the smooth functioning of this event.
